The Foreign Mission Board of the Southern Baptist Convention was formed in 1845 to manage the sending of missionaries to foreign countries, beginning with missionaries to China and Liberia. In 1997, the name of the Board was changed to the International Mission Board. The Board's headquarters are located in Richmond, Virginia. The Foreign Mission Board is the agency of the Southern Baptist Convention which commissions missionaries and funds missions programs in countries outside the United States.

Scope and Content Note

The collection includes albums and photographs compiled by Southern Baptist missionaries and national Baptists in Brazil, China, Germany, Hong Kong, India, Japan, Korea, and Nigeria. Photos include shots of Baptist life and cultural and religious practices in each country. Of particular interest are albums related to China from the early twentieth century, a volume depicting relief work in Germany following World War II, the Dozier family collection, and a photograph on Nigeria. The albums feature several notable Baptist missionaries and leaders. The albums are arranged alphabetically, according to country, then chronologically. The content of the albums is described in detail in the Container listing. These albums were put together and maintained by the missionaries who donated them to the Foreign Mission Board.
