Historical Note

The Foreign Mission Board of the Southern Baptist Convention was formed in 1845 to manage the sending of missionaries to foreign countries, beginning with missionaries to China and Liberia. In 1997, the name of the Board was changed to the International Mission Board. The Board's headquarters are located in Richmond, Virginia. The Board began to make use of films in the early 1950's, primarily for promotional and educational purposes.

Scope and Content Note

The Visual Collection of the International Mission Board of the Southern Baptist Convention includes 320 linear ft. of motion picture films and video tapes in a wide variety of formats. The collection includes production films on some aspect of mission activities, events related to the work of the Board (meetings, chapel, travels by the executive staff), and production elements of films (sound tracks, raw footage, etc.). The International Mission Board, formerly, the Foreign Mission Board, was formed in 1845 to send Southern Baptist missionaries to other countries.

The Visual Collection was transferred from the International Mission Board in Richmond, Virginia, beginning in 1989, with periodic transfers since that time. The collection spans the years from the 1948 to 2000. This collection of films and videos are deposited with the SBHLA for preservation and use by researchers and the staff of the IMB. Additions to this collection are expected.

Access to the collection is through this finding aid and an ACCESS database.
